JUNE 12 - JULY 11
THURS-SUN
12-6pm

As the humming bird sucks at the sweet nectar - in the bright pink bell-cup of the flower - o yes breeding season is here again! And nature is pumping with millions of orgasms, as the mice and the foxes, and the flies and the mushrooms and the bacteria are all fucking.

AND IN A SURPLUS VALUE ... the exhibition exists within a landscape of super-abundance and over-production; a surplus value of signification, of culture, of poverty, of violence, of commodity, of death. As such this is an AXXXSSSPRESSSSUNIZMMMM which extends out and through popular culture, art, music, and advertising to the limits of the known universe and cosmic time.

Old men and women with zimmer frames shouting yes... YES , people in the old age pension homes shouting yessss (as you get you arse wiped with a J-cloth)...yesss oh yessss halleluyah we're fucking loving it!! And we want paedophiles in our utopia OH YES YES YES Cancer is GOOD YESSS YESSSSSSSSSSS! FISH ARE BEING FEMINISED and bees are getting AFRI-CANISED yesssss! YESSS onwards and upwards to the Stars.
NON-ARISTOCRATIC EXCESS AND BOREDOM
Aristocratic visions of libidinal excess are relocated into an excessive pop landscape of pulp fiction and film, post-beat horror, oppression, pornography, high school massacres, dysfunction, boredom and... overdose.

PRIVATE VIEW
JUNE 11
6pm ONWARDS

DETERRITORIALISATION

AXXXXXXPRESSSUNIZM rejects all forms of critically approved cultural pessimism and presents instead an un-mourning, an affirmation of the immanent force of the possible that is in the world as 'Events of becoming'.

WE'RE LOOOOOOOOOOOOOOOOING IT! - SPECTACULAR

This event exists as one more commodity among many. Uncontainable - the show is seen to spiral virally inside and outside, beyond and below, above and nowhere.

YES. YES, YES. YES
