

**"Fuck, fuck, fuck and fuck."**

## **BANK**

All hail the year of the art collective! Just when we needed an antidote to the mainstream megalomania of the Brit Art superstar, this Hoxton-based group fill the bill with grand ambitions, open spaces and a commendable dedication to the party massive. Bank, all aged between 32 and 33. Career highs so far? Fuck Off (that's our last show) What are you working on now? Crap (that's our latest show) What inspires you? Nothing Future plans? Fuck (that's our newest show)
