## THE ARENA EXPERTS GUIDE TO 2002: ART

experts

Colin and Roddy are so unlikely to be popular that they get my vote.

'My other two choices are another double act called Fabienne Audeoud and John Russell. Their images are of extreme physically torturous goings-on, treated as if they are part of the

audiences' natural cultural horizons.

'The other is Simon Linke. He dropped out of the art scene having become successful for doing ads in *Artforum*. He's come back, but now he's using coagulated paint that hides all manner of strangeness going on.'
